ICE SPORTS PROTOCOLS

This document outlines public health, infection prevention and control measures, specific to Lakeshore recreation operations. This document is subject to change and will be updated as needed.

Registration/Booking

- Check "Lakeshore Recreation" Facebook, Twitter, Instagram [Lakeshore.ca](https://www.lakeshore.ca) for updated information.
- Any registration or ice time booking must be made in advance of attendance to the facility. Individual participants should contact their user group for participation availability.
- For additional questions, assistance or booking information you may also call the Atlas Tube Centre during business hours to speak to one of our customer service representatives or email recinfo@lakeshore.ca.

Before Leaving Home

- Ensure you are not showing any symptoms of COVID-19 (new cough, fever, difficulty breathing).
- Face masks are required to and from the ice rink, while in the building and it is the responsibility of the participant to come to the arena with their own face mask.
- Bring your own pre-filled water bottle, labeled with your name on it.
- Remember your skate guards.

Drop Off and Pickup

- Plan to arrive within the scheduled drop off time. Participants and coaches will only be allowed to enter the facility up to 10 minutes before their scheduled activity start time.
- No spectators will be permitted in the Atlas Tube Centre, only activity participants, coaches and greeters.
- Hand sanitizer is located throughout the facility to and from the rink.
- Signage and arrows on the ground, indicate the direction of flow through the complex, to and from the rink. Some areas are narrow and only allow for one way traffic. Be cautious of floor/wall indicators for these areas and always yield to the person exiting the space/building.
- Parents will only be permitted to enter the facility under need for health or wellness. Masks will be required as well as all other entry protocols.
- Keep all personal equipment in a secure bag or leave it in the car. An area has been designated for personal equipment that must be brought on site.
- Participants must exit the building immediately following the end of the session time.

Dressing rooms/Washrooms

- Dressing rooms are designated as bag drop areas only, with a maximum of 10 persons. One dressing room per booking will be open for washroom use only.
- Washrooms will be cleaned and disinfected frequently throughout the day.

WEAR A MASK to cover your mouth & nose PRIOR TO ENTERING

Please do not enter and self-isolate immediately if you:

- Have a fever, cough, sore throat, running nose, or shortness of breath
- Have travelled outside of Canada within the last 14 days
